LUNCH > BILL LANGLEY

Mobilization Strategist, IMB

LUNCH AND UPDATES FROM THE IMB

Bill Langley's current role with the IMB is to help Southern Baptist churches that have no recent connection to the mission agency. He focuses

on churches west of the Mississippi River. The purpose of his job is to build stronger relationships, connections and partnerships with local congregations so that, as a convention of churches, we can increase our obedience and effectiveness to Christ's commission of going into all the world and making disciples. After serving many years as a pastor, Langley joined the IMB in January 2020. He and his wife, Sheri, live in Oklahoma.

Thank you to the IMB for providing our lunch today!
